

## U12 Weekly Update

Hello U12 team,

Here is the plan for the upcoming weekend.

### Schedule:

Program	Day	Hour	Meeting Point	Equipment	Drop Off
Core Plus	Friday 23 <sup>rd</sup>	9 am	Blackcomb Lightboard	SL + Protections	2 pm Blackcomb Lightboard
Core and Core Plus	Saturday 24 <sup>th</sup>	9 am	Blackcomb Lightboard	SL + Protections	2 pm Blackcomb Lightboard
Core and Core Plus	Sunday 25 <sup>th</sup>	9 am	Blackcomb Lightboard	SL (NO protections)	2 pm Blackcomb Lightboard

### Notes:

- This weekend we will be training in **Blackcomb**, Gandy training area.
- **Sunday: No protection needed.** We will be training Glalom course.
- In case the athletes want to use a speed suit + shorts + jacket on Friday and Saturday, it is not a problem at all. But I recommend being warm on Sunday because we expect a bit of snow.

### Upcoming events:

- **March 2nd:** We have another **dry land** session in Myrtle Philip Gym, from **4pm to 5pm**.
- On **March 3rd**, we have the **Enchanted Forest race**. (Registration link will be open next week).
- **March 9th and 10th: Tye Cup Race**. (Races: GS, SL and Kombi) You will receive the schedule for the race on the next weekly update. I already registered all the athletes in BC Alpine.

- **Nancy Greene Festival** in Sun Peaks:

**March 20<sup>th</sup>:** Travel Day.

**March 21<sup>st</sup>:** Training Day.

**March 22<sup>nd</sup> and 23<sup>rd</sup>:** The Event.

Registration Link:

<https://campscui.active.com/orgs/WhistlerMountainSkiClub?season=3279146&session=62067136>

Responding to the question that several of you asked: Why is the Core program charged for 2 additional days? One is the Travel Day, and the other is the Training Day. (The club needs to pay coaches on the travel day as well because they are working / at the disposal of the club).

Lift tickets and event entry are already accounted for in the budget.

### Drive:

You can now find videos of the Janyk Cup and some training sessions on the Drive.

### Registration Link for different Races and Event:

<https://www.wmsc.info/clubs/6388/pages/178018>

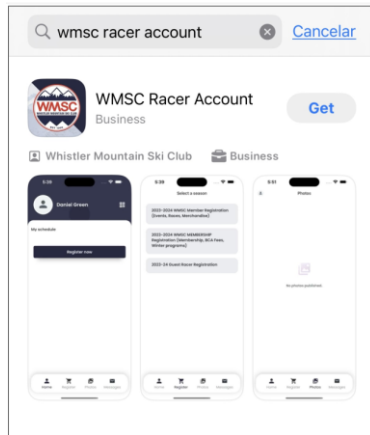

### NEW WMSC APP:

WMSC is now using a new mobile application. With this app, you can register your children for various events and races, and you can also view the history of the races they've been registered for. It's an easier way to access without the need for a computer.

#### IMPORTANT:

You need to create your USER: Only the "1st parent in charge" of the club's management should use their email address to link to their child (athlete). It's important to note that only one user is allowed for one athlete. In case the other parent wants to register their child, they should log in with the designated USER already assigned to that athlete.

Here's a photo with the name and logo of the app so you can download it:

App Name: **WMSC Race Account**

### Swix Tools Orders:

I'm passing along the information that Sandy provided:

Unfortunately, all Swix orders had to be canceled because Swix is out of stock for 75% of the material, and the orders couldn't be fulfilled before September. So, all orders were canceled.

What I recommend in case you need anything is to check out the EVO Sport store in Whistler Village. We have a 30% discount on Swix tools, and there are also some discounts on other brands.

That's all from my side, see you on the weekend!
