

## **WMSC End of Summer Communication.**

First of all; things have been very busy around here this summer getting up to speed with the operations of the club. I apologize if the communication has not been robust this past month, Blanca has been away for the month and as I said, I am getting up to speed.

I do want to share that I am very excited to be taking on this responsibility at the club and feel honored to be entrusted to do so. For those that do not know me, please do not hesitate to drop a line, or drop by to say hi, the door is open. I would like to share some important dates and information with you all concerning what we have planned for the fall, and what our new staff will look like this coming year.

## OFFICE

Blanca de la Rosa (Office Manager)

Marie-Anne Prevost (Office Admin)

Jessica Weiss (Event Manager)

I will be providing Bio's in the near future, but feel free to google or look up on FIS to get some background. Suffice to say I couldn't be more excited about this group and what they collectively bring to the club. We have a very dynamic group, with an incredible blend of experience and youth, and an incredibly high level of skiing skill, as well as race and coaching experience.
